EQUIPMENT HIRE FROM FLYING TIGER

Kit for your production

Browse cinema and mirrorless cameras, lenses, lighting, sound, camera movement and production equipment. Hire individual items or choose a combined package for interviews, events, studio work and creative shoots.

What's included

Each product entry sets out the equipment and accessories supplied with that hire option. Individual items and complete packages are separate hire options.

Booking and quotes

Contact us with your dates, equipment list and project requirements. We will confirm availability, prepare a quote and explain the booking, insurance and deposit requirements.

Collection

Equipment is available for collection from our office in Glastonbury, Somerset. We can run through the equipment with you when you collect it.

Hire prices and VAT

All prices exclude VAT. VAT will be added at 20%. Rates are shown for one-day, three-day and seven-day hires. Contact us for a quote for longer hires or a combined equipment package.

SECTION 05

MOTION CONTROL

27 hire options

Add controlled movement to product shots, interviews and creative sequences. Motorised sliders, jibs, pan-and-tilt heads and turntables provide options for camera moves and rotating product displays.

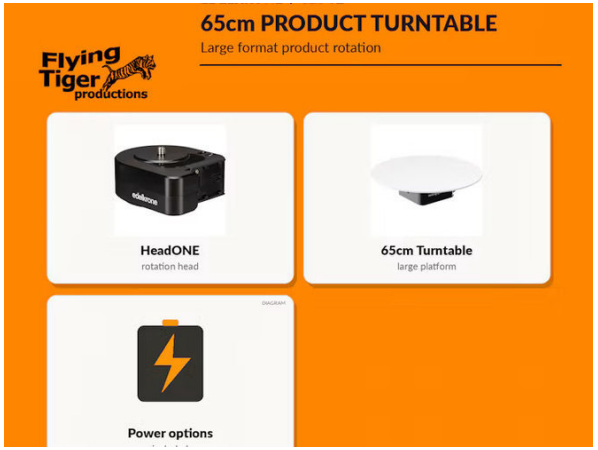

The range includes edelkrone JibONE, HeadPLUS, SliderPLUS and SliderONE systems, plus iFootage Shark Slider Nano II packages. Focus-control equipment and combined motion kits are listed alongside individual components so you can choose the setup your shot needs.

edelkrone JibONE motion kit
