DVDS

DVDs are supplied in a plastic wallet with a colour printed cover as standard. The cover will be designed around your programme, so we ask that you provide a digital copy of this.

Full sized DVD boxes are available at an additional cost of £1 per DVD.

If the performance is longer than 100 minutes the film will be split onto 2 discs and will incur an additional cost of £3 per DVD.

Digital Files

HD digital files can be provided to view or download via Vimeo with a password.

Unlike DVDs, there is no additional cost for longer shows (up to a maximum 120 minutes).

Terms

Please note there is minimum order of 30 copies to avoid any additional costs for the filming and editing of your production.

A deposit of £300 will secure your booking - this will be taken off the total cost.

We can usually deliver the DVDs within 2 weeks of the filming.

The digital download will be available to view/download for 60 days from publication.
